MEDICAL.

TO THE PEOPLE Of the United States.

In the month of December, 1858, the undersigned for the first time offered for sale to the public Dr. J. Bovee Dods' Imperial Wine Bitters, and in this short period they have given such universal satisfaction to the many thousands of persons who have tried them that it is now an established article. The amount of bodily and mental misery arising simply from a neg-

ect of small complaints is surprising, and it is therefore he utmost importance that a strict attention to the and most triffing bodily ailment should be had: diseases of the body must invariably affect the mind.
